

25th Annual Non-Prime Auto Financing Conference | Subprime Auto 360-Degree Lending & Securitization Market Risk Study

Davis+Gilbert is a proud sponsor of the 25th Annual Non-Prime Auto Financing Conference taking place in Plano, TX, August 30 – September 1.

On August 31, Joseph Cioffi, Davis+Gilbert Insolvency + Finance Chair, will speak during a session titled “Subprime Auto 360-Degree Lending & Securitization Market Risk Study.”

Session Overview

Join us as we reveal the results of Credit Chronometer’s third annual 360° market study of subprime auto participants in all areas of the securitization market – originators, investors, trustees, servicers and others in the field. This session will help participants plan their next move by revealing expectations across market groups related to such factors as:

- Expected performance trajectory and use of credit extensions
- Strength of investor protections and the ability to obtain desired ratings
- Regulatory uncertainty and its impact on lending and securitization
