

Association of National Advertisers Members Only Conference | Data Collection & Use Agreements – Privacy Issues & Other Complexities

On June 28, Gary Kibel, Davis+Gilbert Privacy + Data Security partner, will lead a session titled “Data Collection & Use Agreements – Privacy Issues & Other Complexities” at the Association of National Advertisers Members Only Conference, “The Business of Marketing Law,” to be held in New York City.

Conference Overview

This conference will focus on the transactional skills and knowledge of the latest law necessary to effectively negotiate, draft, execute, and fulfill complex legal contracts in the marketing and advertising and privacy law space, and especially in digital and social media, as well as negotiating litigation-related documents.
