

# Brand Activation Legal Webinar | Recent Cases in Copyright Law

Sara L. Edelman, Davis+Gilbert Advertising + Marketing partner and Guy Cohen, Davis+Gilbert Litigation + Dispute Resolution partner, will speak during a Brand Activation legal webinar titled "Recent Cases in Copyright Law" on April 9.

---

## Webinar Overview

As content becomes more widely available, brands and advertisers must continue to avoid the potential pitfalls of copyright infringement. Brands and advertisers should be aware of recent case developments in copyright law as they may impact business and marketing decisions. This program will focus on recent copyright cases relevant to the target audience, including graffiti art and music cases.
