

Experienced Lawyers

For experienced attorneys seeking a new way to practice, Davis+Gilbert is dramatically different. This is a collaborative workplace designed for your success — a firm where the only competition is to come up with the best idea.

Whether you are looking to gain experience or take your practice in a new direction, you'll learn from and practice with exceptional lawyers, while lean staffing gives you more direct exposure to both partners and clients. We welcome and encourage entrepreneurial thinking, making this the ideal place to take control of your career. There is no cap on the kind of work you can do and no lockstep system holding you back.

“When I came to Davis+Gilbert, I was looking for a place where I would be given the responsibility of being on the front lines and actually counseling clients. I was also looking for a place that valued entrepreneurship in order to grow and expand my practice. The firm was incredible on both accounts — a truly collaborative place with an incredible client base, where I finally felt like I found my voice.”
