

Ceridian Webinar | Risky Business: How HR Manages Compliance Disruption in the Workplace

Alan Hahn, Davis+Gilbert Benefits + Compensation Co-Chair, will speak during a Ceridian webinar titled “Risky Business: How HR Manages Compliance Disruption in the Workplace” taking place at 1:00 p.m. EST on April 11.

Session Overview

This webinar will delve into some of the key findings and outline top recommendations as identified in a study completed in partnership with Ceridian. The presenters will reveal how effectively HR departments manage compliance issues and the overall business impact that these changes have on workplace policies and procedures. This webinar will cover:

- How HR can effectively keep up with rapidly changing legislation and the strategies they can use to stay-up-to-date with new mandates;
 - The areas of compliance that create the greatest costs and the most difficult to manage; and
 - The compliance issues that have the biggest impact on workplace policies and procedures.
