

# CREtech New York Venture Conference

Davis+Gilbert is a proud co-sponsor of CREtech New York Venture Conference to be held in New York City on December 6.

---

## Overview

The CREtech New York Venture Conference will feature the largest gathering of commercial real estate tech investors ever assembled at one event. With over 35 speakers participating from the leading Angel, Accelerator, Venture Capital, Private Equity, Landlord and Brokerage firms in commercial real estate tech, the event will provide an unparalleled view of the most important investment and product trends in the CREtech sector.

Attendees will experience unmatched networking opportunities with 700+ commercial real estate professionals, startups, thought-leaders and more in attendance from around the world. Plus, the leading startups will also be displaying their cutting-edge products and services at the event.
