

Crystal & Company Seminars | Exploring Health Care Reform, Voluntary Employee Benefits & Employment Law

Alan Hahn, Davis+Gilbert Benefits + Compensation co-chair, and Gregg Brochin, Davis+Gilbert Labor + Employment partner, will speak during a Crystal & Company seminar titled "Exploring Health Care Reform, Voluntary Employee Benefits & Employment Law" to be held in San Francisco on September 12. Alan and Greg will reprise this presentation in Long Beach, CA on September 13.

Session Overview

Part 1: What's New in Health and Welfare Law

This session will cover current and anticipated changes to legislation under the Trump administration.

Part 2: What's New in Employment Law

This session will cover recent changes in California law including marijuana in the workplace, state disability and paid family leave benefits increase, and updates to the Fair Pay Act

Part 3: A Fresh Take on Voluntary Employee Benefits Solutions

Ciro Giue, Crystal & Company's dedicated Voluntary and Workplace Benefits specialist, will illustrate how an optimal benefits package can help your organization build an effective talent pool while keeping your costs down.
